ASIA & Australia

CIMB & Kepler Cheuvreux

- ❖ In October 2015, CIMB and Kepler Cheuvreux signed a cooperation agreement to cross-distribute equity research in both their respective regional markets in Asia and Europe, and establish a single global program trading platform.
- ❖ CIMB and Kepler Cheuvreux, both ranked within the top 10 for regional equities in their respective markets, will work together and leverage each other's strengths in regional research and execution.
- ❖ This will include the creation of three joint teams in key markets :
 1. In Asia, Kepler Cheuvreux experts have taken up positions in CIMB's office in Hong Kong to market European equities to Asian clients.
 2. In the UK, access to Asian equities will be provided through CIMB sales personnel as well as sales traders out of CIMB's and Kepler Cheuvreux's respective London offices.
 3. In Continental Europe, the creation of a new desk in Kepler Cheuvreux's Paris office will connect continental European clients with the Asian market.
- ❖ Related areas of cooperation are being tested, particularly in the fields of [Equity Capital Markets](#), [Mergers & Acquisitions](#), [Private Banking](#) and [Structured Products](#).

Investors in Asia and Australia

Choosing the Best Destinations

- ❖ Difficult to combine South East Asia (e.g. Singapore / HK / KL) and North Asia (HK / Seoul / Beijing or Taiwan) as that would take at least 10 days.
- ❖ Kepler Cheuvreux and CIMB will test the interest of the biggest investors to advise on the best geographic allocation of time.
- ❖ Note that CIMB does not cover Japan.
- ❖ Roadshows in Australia can be considered on a case-by-case basis but are difficult to combine with the rest of Asia due to time constraints. Focus on Basic Materials and Utilities.
- ❖ Indian investors are beginning to look at Europe, but on a very small scale.
